

BRZ | 2025

The Subaru BRZ. Sports car purity, Subaru DNA.

Rediscover rubber and road.

Meet the 2025 BRZ.

Driving should feel like driving. It’s a simple, undeniable idea that gets right at the heart of the BRZ, a hyper-focused, thrillingly pure sports car—with the balance, handling and power to prove it. Central to its design is the driver. That’s where you come in.

Pure
Sports Car

This BRZ is rooted in the classics—a front-engine, rear-wheel drive layout paired with a close-ratio six-speed manual transmission. You can also opt for a six-speed automatic with paddle shifters and rev matching for near-instant responsiveness.¹

Engineered
To Be Driven

The BRZ features a 2.4-liter SUBARU BOXER® engine with 228 hp and 184 lb-ft of torque, delivered early and across a wide rev range. That power is in your control, thanks to a stiff chassis, ultra-low center of gravity and balanced weight distribution. Enter a corner, and the BRZ will reveal the control and precision of its track-tested, Subaru-engineered suspension paired with Michelin® Pilot® Sport 4 tires.¹ Plus, as a Subaru, you know the BRZ is built to last—96% of Subaru vehicles sold in the last 10 years are still on the road today.²

Driver-focused

At the center of its design is you. That’s why everything inside the BRZ is oriented to put the driver in control, from the placement of the pedals, shifter and leather-wrapped steering wheel to the low-mounted performance-design front seats, locking you into position.

Connected

The BRZ creates a sense of connection all around you with intuitive designs, including a customizable digital instrument cluster and standard Subaru Multimedia system with Apple CarPlay® and Android Auto™ integration. You can also set the perfect temperature even before you step in, thanks to Remote Engine Start with Climate Control.^{1,3} For greater peace of mind, EyeSight® Driver Assist Technology⁴ is standard, and advanced systems like Blind-Spot Detection and Rear Cross-Traffic Alert^{1,5} are available to help keep you aware of your surroundings.

¹ Availability varies by trim level. See your Subaru retailer for details. ² Based on Experian Automotive non-luxury vehicles in operation vs. total new registrations for MY2014–2023 as of December 2023. ³ Requires automatic transmission and subscription to MySubaru Safety and Security 6-month free trial included. Not available in all states. See your Subaru retailer for details. ⁴ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. See your Owner’s Manual for complete details on system operations and limitations. ⁵ Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving.

BRZ Limited in Ice Silver Metallic.

A rare BRZ was just released into the wild.

Introducing the new 2025 BRZ Series.Purple.

Limited to only 500 units in existence, this ultra-rare BRZ might be hard to find, but it's easy to spot. Look for the exclusive Galaxy Purple Pearl¹ exterior punctuated by 18-inch satin silver finish alloy wheels wrapped in Michelin[®] Pilot[®] Sport 4 tires. If you get a peek at the interior, you'll notice an exclusive gray-trimmed Ultrasuede[®] and leather along with an STI Short Shifter, shift knob and starter switch. If you're lucky enough to drive the Series.Purple, you'll feel the effect of the STI Flexible V-Bar, enhancing chassis rigidity and steering response. It's the ultimate way to satisfy your appetite for asphalt.

BRZ Series.Purple in Galaxy Purple Pearl.

BRZ Series.Purple satin silver finish alloy wheels

BRZ Black Ultrasuede[®] and leather with gray accents

BRZ Series.Purple STI Short Throw Shifter

BRZ tS Brembo[®] performance brakes

BRZ tS Black Ultrasuede[®] and leather with blue accents

BRZ tS badging

Sports car purity, purified.

The 2025 BRZ tS.

A testament to the thrill of driving, the BRZ tS builds on the already-deft BRZ with an exclusive STI-tuned suspension, upgraded dampers and gold Brembo[®] performance brakes for even greater control and sharper handling. Its Ultrasuede[®] and leather-trimmed seats keep you centered, while other accents and details around the cabin let you know this is no ordinary performance machine.

BRZ tS in Crystal White Pearl.

¹ BRZ Series.Purple only.

BRZ Limited with Ultrasuede® and leather-trimmed upholstery with red accents and stitching.

1 Requires automatic transmission. Not available on BRZ Premium, BRZ Series.Purple or BRZ tS. See your Subaru retailer for details. 2 Availability varies by trim level. See your Subaru retailer for details. 3 Requires automatic transmission and subscription to MySubaru Safety and Security 6-month free trial included. Not available in all states. See your Subaru retailer for details.

Cockpit,
not interior.

In here, all that matters is that you’re the driver. Low-mounted performance-design front seats keep you centered and secured, while the perfectly placed pedals, shifter and leather-wrapped steering wheel let you make your maneuvers decisively. Though the BRZ is a performance machine, it’s also designed to be practical with dual-zone automatic climate control, a folding rear seatback and a customizable digital instrument cluster featuring Normal, Sport, Snow¹ and Track display modes. For easy access to music and apps, there’s standard Subaru Multimedia System with Apple CarPlay® and Android Auto™ integration. And thanks to the MySubaru® app, you can set the perfect temperature from your phone even before you start your drive.^{2,3}

Engineering
for the senses.

2,820-POUND
CURB WEIGHT¹

[17.95"]
CENTER OF
GRAVITY HEIGHT

ENGINE PLACEMENT

WEIGHT SPLIT: FRONT [53]

REAR [47]

BRZ Limited in Ignition Red.

Light and Balanced

As the only rear-wheel drive Subaru, the BRZ is a marriage of high ideals and meticulous engineering. Its classic front-engine layout has been carefully honed for a balanced weight distribution, and its chassis boasts impressive rigidity while still maintaining a low weight.

SUBARU BOXER Engine

The heart and soul of the BRZ is its 2.4-liter SUBARU BOXER engine with **228 hp** and **184 lb-ft of torque**. Designed to be light, low and stable, the BOXER engine has been optimized to deliver power and torque early and over a wide rev range.

Performance-design Seats

When you're deep in the corners, you'll be glad that the BRZ comes standard with supportive front seats with deep bolsters and available Ultrasuede® inserts,² which provide extra grip to help keep you in the pocket.

Low Coefficient of Drag

To a sports car, wind is like weight—the more of it you have to move, the more it takes from your ability to perform. Features like a channeled roof, aerodynamic underbody panels and a rear diffuser help the BRZ cut through the air and sharpen its performance.

Ultra-low Center of Gravity

Not only was the engine designed to be compact, allowing it to be mounted low in the chassis, but every element of the BRZ was placed as low as possible, from the roofline to the seating position. It all works together to give the 2025 BRZ an ultra-low center of gravity—just **17.95 inches**.

Responsiveness

The driver-focused BRZ features a quick-ratio **13.5:1** electric power-assisted rack-and-pinion steering system. Further control is offered in two forms: a close-ratio six-speed manual transmission or a six-speed automatic with paddle shifters and rev-matching downshift control.²

¹ Base curb weight for BRZ Premium with manual transmission. ² Availability varies by trim level. See your Subaru retailer for details.

Peace of mind and performance coexist.

The BRZ offers a wide range of available safety innovations, including LED Steering Responsive Headlights,¹ MySubaru Safety and Security,^{1,2} Blind-Spot Detection and Rear Cross-Traffic Alert.^{1,3} Every trim of the BRZ comes with standard Subaru EyeSight Driver Assist Technology,⁴ a suite of systems designed to watch the road ahead, alert you and even intervene to help avoid a collision.

BRZ Limited in Sapphire Blue Pearl.

How EyeSight Looks Ahead

Pre-Collision Braking

Can help slow and bring your BRZ to a full stop if necessary.

Lane Departure and Sway Warning

Can alert you if you drift to the edge of your lane and begin to cross into another.

Adaptive Cruise Control

Traffic doesn't always flow smoothly. EyeSight can keep a set speed, look ahead and help your BRZ automatically adjust to keep your distance, even in stop-and-go traffic.⁵

Pre-Collision Throttle Management

Can reduce engine power to help give you more time to react and to help minimize the possible impact force in case of a collision.⁶

¹ Availability varies by trim level. See your Subaru retailer for details. ² Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Features and availability vary by model and trim level. May not be available in all states. Please contact your local authorized Subaru retailer for more information. ³ Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. ⁴ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. See your Owner's Manual for complete details on system operations and limitations. ⁵ System functionality varies based on vehicle transmission. See your Owner's Manual for complete details on system operations and limitations. ⁶ Requires automatic transmission. Not available on BRZ Premium, BRZ Series. Purple or BRZ tS. See your Subaru retailer for details.

17-Time Overall

2025 BRZ | Trim Levels

BRZ Premium

- 228-hp direct injection 2.4-liter 4-cylinder SUBARU BOXER engine
- Close-ratio 6-speed manual transmission
- Sport-tuned suspension
- 17-inch aluminum-alloy wheels. High-luster gray finish
- Summer-performance tires.
- Auto-on/off LED headlights and LED taillights
- LED Daytime Running Lights (DRL)
- Functional front bumper, fender and rear bumper vents
- Integrated front bumper under spoiler
- Side rocker spoilers
- Ducktail-design rear decklid
- Body-color exterior mirrors
- Leather-wrapped 3-spoke steering wheel with red stitching and integrated audio system, Bluetooth®, meter display and EyeSight Adaptive Cruise Control^{1,2} buttons
- Cloth upholstery with red stitching
- 6-way manually adjustable driver's seat and 4-way manually adjustable front-passenger's seat
- Aluminum-alloy pedal covers
- Carpeted floor mats with embroidered BRZ logo
- Keyless Access with Push-Button Start
- Auto-up/down power windows
- 7.0-inch customizable digital gauge cluster with Normal, Sport and Track display modes, digital speedometer, tachometer, coolant temperature and fuel level displays, G-force meter and lap time displays, and other vehicle functions
- Dual-zone automatic digital climate control system with air filtration
- Subaru 8.0-inch Multimedia Plus System with Apple CarPlay® and Android Auto™ integration, high-resolution LCD touchscreen display, voice-activated controls, SiriusXM® 4-month Trial Subscription, AM/FM stereo with HD Radio®, dual USB-A input ports, Bluetooth® audio and 6 speakers
- Anti-theft security system
- EyeSight Driver Assist Technology¹
- High Beam Assist
- Rear-Vision Camera
- 7 airbags (SRS)⁴: dual-stage deployment driver and front-passenger, driver's knee, side curtain, and seat-mounted front side impact
- Whiplash-reducing front seats with height-adjustable head restraints
- Height-adjustable 3-point front seatbelts with pretensioners and load limiters
- Front/rear passenger seatbelt warning light/chime
- LATCH system: Lower Anchors and Tethers for CHildren

BRZ Limited | Includes BRZ Premium key features and adds:

- Close-ratio 6-speed manual transmission or 6-speed automatic transmission with manual-mode paddle shifters and rev-matching downshift control
- 18-inch aluminum-alloy wheels. Matte dark gray finish.
- Michelin® Pilot® Sport 4 summer-performance tires
- LED Steering Responsive Headlights
- Heated, body-color exterior mirrors
- Ultrasuede® and leather-trimmed upholstery with red accents and stitching
- Dual-mode heated front seats
- Aluminum-alloy sill cover inserts
- Brin Naub instrument cluster visor
- 8 speakers with 2-channel amplifier
- MySubaru Connected Services Enabled⁵: Advanced Automatic Collision Notification, SOS Emergency Assistance, Emergency Assistance, Emergency Roadside Assistance, Maintenance Notifications, Monthly Vehicle Health Report, Diagnostic Alerts, Remote Engine Start with Climate Control,⁶ Remote Lock/Unlock, Concierge Services and more
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert⁷
- Reverse Automatic Braking^{8,9}

BRZ Series.Purple¹⁰ | Includes BRZ Limited key features and adds:

- Limited availability (500 units)
- Exclusive Galaxy Purple Pearl paint¹¹
- 18-inch aluminum-alloy wheels. Satin silver finish.
- Black rear badging
- Black interior accents
- Ultrasuede® and leather-trimmed upholstery with gray accents and stitching
- Leather-wrapped 3-spoke steering wheel with gray stitching
- STI Starter Switch
- STI Shift Knob
- STI Short Throw Shifter
- STI Flexible V-Bar

BRZ tS | Includes BRZ Limited key features and adds:

- Brembo® performance braking system
- STI sport-tuned suspension with performance-tuned spring rates
- STI-tuned dampers
- 18-inch aluminum-alloy wheels. Dark gray metallic finish.
- Heated, Crystal Black Silica exterior mirrors
- Crystal Black Silica shark fin antenna
- BRZ tS front and rear badging
- BRZ Cherry Red logo headlights
- Ultrasuede® and leather-trimmed upholstery with blue accents and stitching
- Leather-wrapped 3-spoke steering wheel with blue stitching
- STI-branded digital gauge cluster with Cherry Red accents
- STI Starter Switch
- Black interior accents

2025 BRZ | Accessories

For a complete list of available accessories, visit your local Subaru retailer or visit [subaru.com](#)

STI Under Spoiler – Front. STI Front Under Spoiler gives the BRZ a mean, ground-hugging look.

STI Under Spoiler – Side. Continue the mean, ground-hugging look down the rocker panels of the BRZ. Kit includes both left and right side under spoilers.

STI Under Spoiler – Rear Quarter. Complete the look on the side of the BRZ with the addition of the rear quarter under spoilers. Kit includes both left and right rear-quarter under spoilers.

Rear Bumper Appliqué. Clear, scratch-resistant vinyl film helps to protect bumper upper surface and leading edge. Includes a discreet pearl-colored Subaru logo.

Fender Vent Accent. Intensify the aggressive design of the BRZ with the addition of the Fender Vent Accent. The accent is finished in gloss black and adds a level of attitude to the modern styling of the vehicle. Comes in a set of two.

Sunshade – Windshield. The foldable sunshade offers a triple layer of protection to help reduce vehicle temperature up to 40 degrees. It's custom-cut to fit properly and includes a handy storage bag.

Vortex Generator. Add a stylish look of performance to your BRZ with the Vortex Generator.

Rear Bumper Diffuser. Lower rear body panel helps to direct airflow and adds a sculpted finishing touch to the BRZ lower rear body line.

Footwell Illumination Kit. Casts a soft blue glow onto the front floor area.

Auto-Dimming Mirror with Compass and HomeLink®. This upgraded Auto-Dimming Mirror with an 8-point digital compass detects glare and darkens automatically to protect your vision. HomeLink® can be programmed to operate most garage doors, security gates and more. The system can provide you with the last status of your garage door (open or closed) when programmed to a compatible opener.

Mud Flaps. Help protect your BRZ paint finish from chips and the undercarriage from rust and corrosion. Mud Flaps offer maximum protection with tough, durable construction and undergo a series of durability evaluations to help withstand a variety of weather conditions. Includes the BRZ logo.

STI Starter Switch. Upgrade the stock push start button with the STI Starter Switch. The Cherry Red button with the STI logo in the center gives the interior of your BRZ a sporty appearance.

1 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. The Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane Departure and Sway Warning operates only when the lane markings are visible, and its effectiveness depends on many factors. See your Owner's Manual for complete details on system operations and limitations. 2 System functionality varies based on vehicle transmission. See your Owner's Manual for complete details on system operations and limitations. 3 SiriusXM 4-Month Trial: Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit [siriusxm.com](#) for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Certain features and/or content may not be available in vehicles with SiriusXM with 360L unless an active data connection is enabled in the vehicle. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio LLC and its respective subsidiaries. 4 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in one of the rear seats. See your Owner's Manual for recommended seating position. 5 Activation with subscription required. Includes a three-year trial subscription to Safety services and a six-month trial subscription to Safety and Security services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Features and availability vary by model and trim level. May not be available in all states. MySubaru Connected Services for select 2016-2018 Subaru vehicles are available on a limited basis based upon vehicle equipment and parts availability. Please contact your local authorized Subaru retailer for more information. 6 Requires automatic transmission and subscription to MySubaru Connected Services. 6-month free trial included. Not available in all states. See your Subaru retailer for details. 7 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 8 The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See your Owner's Manual for complete details on system operations and limitations. 9 Requires automatic transmission. Not available on BRZ Premium, BRZ Series.Purple or BRZ 1S. See your Subaru retailer for details. 10 Limited availability. See your Subaru retailer for details. 11 BRZ Series.Purple only. 12 2025 EPA fuel economy estimates. Actual mileage may vary. 13 All Subaru vehicles sold by Subaru of America, Inc., are designed and built for normal driving conditions. The Subaru Limited Warranty, as well as the Added Security program, excludes damage or failure resulting from modifications or participation in competition or racing events. See the Subaru Warranty & Maintenance Booklet for further details.

These brochures were printed with vegetable-based inks and produced using a "Green Printing Process." The Forest Stewardship Council® (FSC®) is an international organization that brings people together to find solutions which promote responsible stewardship of the world's forests and environments.

By producing these brochures in a green way rather than by traditional methods, we saved 8.5 trees preserved for the future; 1,900 gallons of wastewater flow saved; 40 lbs solid waste not generated; 4,800 lbs net greenhouse gases prevented; 4,000,000 BTUs energy not consumed. Calculations provided by Environmental Paper Network. FSC® is not responsible for any calculations on saving resources by choosing this paper.

This brochure is printed in the U.S.A. on 10% recycled paper. ©2025 Subaru of America, Inc. 25.BRZSRB.525 (DSGN-P053, 17K, 12/24, KSL)

Love. It's what makes Subaru, Subaru.®
